Note: We had 51 boats signed-up. But, due to high winds (believe it or not!) only 9 boats completed all three races. These results include boats that completed at least one race. All others have been omitted, although a number of them started at least one race.

Two Junior trophies were awarded. One went to Clint Hodges who finished first in the Y's. The other went to Max Hardage, who finished finished 5th in the Snipes. No one sailed a Snipe Single-handed.
