7 Acceptance of Risk, Waiver of Liability, and Indemnification

7.1 RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' Participants in this regatta acknowledge by their participation that sailing is a potentially dangerous activity with inherent risks. Such risks include but are not limited to those created by strong winds, rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform, and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of injury, including permanent, catastrophic injury, or death by drowning, trauma, hypothermia, collision, or other causes. As a condition of their participation in this regatta, each participant expressly accepts the risks associated with participation and releases all claims they may have against the Atlanta Yacht Club and Laser Fleet 116 and the officers, directors, members, committees and employees ("Released Parties") for property damage, personal injury or death, or any other basis arising at or in the vicinity of the host facility before, during, or after the races. In addition, each participant accepts responsibility for damage or injury caused by their breach of *The Racing Rules of Sailing* or applicable governmental rules for the avoidance of collision and agrees to indemnify, defend, and hold harmless the Released Parties from and against any claims which may arise from participant's negligence or intentional acts.
